Material Selection Reference

A practical starting point for wall panels, outdoor profiles, click flooring and decorative furniture boards. This is a planning reference, not a technical installation manual or a certificate.

Wall Panels

Natural Wood Veneer Wall Panel
Bamboo Charcoal Fiber Wall Panel
SPC Marble Wall Panel
Flexible Stone Veneer / Soft Ceramic Wall Tile
WPC Fluted Wall Panel

Confirm construction, decorative surface, panel size, joints and the fixing system.

Outdoor WPC

Co-Extrusion WPC Decking
Co-Extrusion WPC Exterior Wall Cladding
Co-Extrusion WPC Grille and Louver

Confirm deck, wall or screening use; profile, subframe, fixings, exposure and drainage.

WPC Flooring

WPC Click Flooring

Confirm plank construction, click joint, dimensions, backing and the intended interior use.

Furniture Boards

Melamine Faced Plywood
Melamine Faced Particle Board
Melamine Faced OSB Board
Melamine Faced MDF

Confirm substrate, board size and thickness, decorative paper, grade and machining.

Final specifications depend on the selected product and confirmed order. No price, MOQ, lead time, warranty, test result or certification is implied by this checklist.

Prepare a Clear Enquiry

Complete the information below and share drawings, a product reference or an approved surface sample where available.

Contact	Name, business email and phone / WhatsApp
Company	Company name and country / region
Product	Material family and selected product
Specification	Substrate, size, thickness or profile, and finish
Quantity	Quantity with units and any product mix
Application	Room, furniture component or outdoor use
Processing	Joint system, accessories, edge treatment or machining
Packing	Packing method, labels and protection requirements
Destination	Delivery destination and required documents

Before confirming the order

Review the chosen sample and written specification. Align inspection points, packing and loading arrangements. Request product-specific installation guidance and check which documents apply to the product and destination market.
